Midwifery Program Costs
Tuition and fees include but are not necessarily limited to the following:

- Application Fee (non-refundable) $ 75
- Enrollment Fee (non-refundable) $ 150 upon initial enrollment only
- Registration Fee (non-refundable) $ 55 per term
- Technology Fee $ 35 per term
- Tuition – Academic Credit $ 432 per credit hour
- Tuition – Clinical Training Credit (Midwifery Program) $ 118 per credit hour
- LLP Credit $ 432 per credit hour
- Client Care Documentation Book fee $ 25
- Client Care Documentation Verification $ 200
- Client Care Documentation Re-Verification $ 50
- Comprehensive Written Exam Fee (if taken in house) $ 200
- LD & D Graduation Testing Fees varies
- Graduation Fee $ 100

Coursepack and Lab Fees vary by course. Tuition and fees are subject to annual increases. Please anticipate a 7-10% increase each year.

Costs in the following table are an estimate based upon the current recommended course sequence using 2014-15 tuition and fee costs, and coursepack, lab, text, and equipment costs from previous academic year. Actual individual costs may vary. This estimate does not include costs associated with obtaining general education requirements for the degree program, as these courses are transferred in from approved, outside institutions.

Lunch Costs
You are expected to take a turn in providing lunch for your entire core class, approximately once every four to six weeks, depending on size of the cohort group. See LUNCH.

Midwifery Equipment
You are required to provide your own midwifery equipment for certain courses. Equipment kits can be purchased through the College or purchased individually from other sources. Prices of equipment vary based on the quality of the equipment and where it is purchased.

Non-Institutional Expenses Near Graduation
Graduates may find they incur a variety of different expenses at or near graduation, including but not limited, the cost to sit for the North American Registry of Midwives (NARM) exam, state licensure fees, costs associated with starting an independent midwifery practice, and student loan repayment. We recommend that you speak to the Midwifery Program Coordinator and/or the Financial Aid Officer to help you plan for these types of expenses.
