Congratulations,
Midwifery Program
Graduates!

“\textit{We do not grow absolutely, chronologically. We grow sometimes in one dimension, and not in another; unevenly. We grow partially. We are relative. We are mature in one realm, childish in another. The past, present, and future mingle and pull us backward, forward, or fix us in the present. We are made up of layers, cells, constellations.}”

Baby River Lee Cook was born on April 2nd with the wonderful midwives of Rosehip Midwifery; although, we did transfer to the hospital an hour before he was born. We couldn't be more in love with him and he now accompanies me to class!

- Megan Cook
  Midwifery Student

With my last birth I did not go into labor naturally. The week before my son was born I thought I was going into labor all the time. I was sure he would come before school started. The night before he was born, I was making my potluck dish for Orientation. I felt different and I told him he needed to stay in there until Wednesday. He had different plans! I woke up around 5:30am with contractions that would not go away. We started packing up our things to head out to the Aurora Birth Center. I had no idea how long labor was going to last because I was already dilated to about 5cm.

We arrived at the birth center at around 7:30pm. I was checked and was at about 6cm. As contractions became stronger I didn't have faith that I could have this baby naturally. As it turned out the baby was posterior and it was making labor harder. I had to get out of the tub to get him to turn. I didn't really want to get out of the tub because it gave me so much pain relief. Once out of the tub I was on all fours. I had a couple of contractions and then had the innate urge to start pushing. It was like my body was taking over and pushing for me. I was worried about not making it back to the tub. I rushed back over to the tub before I had another contraction. I'm not sure how long it actually took but I finally could feel his head. He was so close! I had to tell myself it would only last a moment longer and I would have him in my arms. Finally, I able to bring my little one earth side. I couldn't believe I had done it! We made the decision to not find out the baby’s sex until birth. I was excited to find out that it was a boy! Jaxson Ray Merritt was born April 13th at 1:38pm. He weighed 10lbs 11oz and was 22 inches long. I was attended by Susie Corcoran, Katrina Bubas-Stevens, Nora Hawkins, Em Stevenson and my doula, Mallory Warning.

Kaitlin Schofield, Lactation Consultation Student, will be spending her summer with Melissa Morgan, IBCLC, in Spokane for an internship.

Nikki Probst, Midwifery Student, married her fiance on July 11th at Mount Tabor.

Stacey Marshall, Birthingway staff member, will begin to take over the PDX Doula Collaborative Training from her teaching mentor, Denise Beaudoin. This is a great opportunity to work with hospital-based doula programs.

Taryn Ackelson and Beverly Yonker, second year Lactation Consultation students, have been volunteering at several teen parent programs at local high schools. The need for breastfeeding education was recognized by Taryn and Beverly during Winter term's Breastfeeding Politics and Policies class. Their call to action projects and assignments in other classes at Birthingway led them to take a step towards using their worksheets and lesson plans in real life. While the hours of teaching at high schools do not count toward their direct contact hours, and the time and energy spent preparing and teaching is not compensated, these ladies feel the call to provide adolescent moms-to-be with opportunities for informed choice for their infant feeding options. With a biodynamic approach and evidence-based information, the "dynamic duo" have taught breastfeeding classes at Centennial High School, Sabian Schellenberg HS, and Vancouver's Hudson Bay HS. They continue to work with the coordinators at the schools, while reaching out to other programs, to practice their teaching skills and gain experience. The reward for this has been an overwhelming sense of empowerment and accomplishment for Taryn and Beverly who are committed to birth and breastfeeding education for pregnant teens and their partners.

“How it Feels to be Pregnant”
By Midwifery Student, Jillian Denneny

Movement like crazy
Baby inside the belly
Emotional love

“A Love Returned”
By Midwifery Student, Anna Soderberg

And yet...
so persistent...so...interesting...
what would happen, I wonder,
if perhaps –
I let one in
to see my soul...
And hear the secrets of their world?
What would life be if not for taking risks and trying new things?
Oh, alright... come on in –
I open my silver door –
and you are here! Welcome!
Then two are one and one are two and four and eight and life!
And the numbers are meaningless
for there is only this...New...Song.
So fast, So fast, So fast, So fast,
and we you I, we love!
And create. We cannot stop. It is inevitable.
We are...NEW!
We tumble, we stumble,
we seem to fall UP
into a warm and loving space
so fresh and new
so different from my first home
yet still
safe.
As different as I am different now?
There is no “I” now, there is no “me”
there is only WE
and yet inside of we
we make more “me”
and all these new feelings
protrusions, angles curves
Never known before
yet somehow familiar
some memory
we cannot hold
just at the corner of the fold...
The love returned.

Belly Models Needed
Throughout fall term, our midwifery students will need tummies to touch and listen to so they can practice their skills. If you (or someone you know) will be at least 20 weeks pregnant by October, are available on some Tuesdays from 3:30-5 pm, and would like to earn $20 a session with our very gentle and loving students, then let us know.
Please email Rhonda Ray at Rhonda@birthingway or call the school at 503-760-3131.

- **Dates:** Mondays: 9/28, 10/5, 10/12, 10/19, 10/26, 11/2, 11/9, 11/16, 11/23, 11/30/15
- **Times:** 9:30am-12:30pm
- **Location:** Foster House

**Prerequisite:** Botanicals I (BOT231q)

This course covers materia medica for fertility, preconception, pregnancy, intrapartum, and postpartum using lecture, discussion, case studies, and student research. Taught by Mindy Cash, ND.

### Breastfeeding I (BRF111q)
- **Credits:** 1 Cr
- **Sessions:** 4
- **Dates:** Mondays: 10/19, 10/26, 11/16, 12/7/15. (Make up day: Thursday 12/10/15)
- **Times:** 9:30am-12:30pm
- **Location:** Carlton House

Using lecture, discussion, visual aids, and small group activities, this course provides students with basic information about topics including the normal breastfeeding physiology of mother and baby, properties of human milk, risks of formula feeding, recommendations regarding breastfeeding initiation, duration and normal parameters of nursing in the first two weeks, politics of breastfeeding, and influences of culture and birth practices on breastfeeding. Taught by Adrienne Fuson, BA, IBCLC, LMT, CD.

### Breastfeeding III (BRF213q)
- **Credits:** 1 Cr
- **Sessions:** 4
- **Dates:** Thursdays: 9/17, 9/24, 10/1, 10/8/15. (Make up day: Friday 10/16/15)
- **Times:** 9:30am-12:30pm
- **Location:** Carlton House

**Prerequisite:** Breastfeeding II (BRF222q)

Case studies and development of protocols deepen students' knowledge of breastfeeding counseling. Students focus on more complex situations including failure to thrive and infant hypoglycemia. Taught by Adrienne Fuson, BA, IBCLC, LMT, CD.

### Childbirth Education (CBE131q)
- **Credits:** 3 Cr
- **Sessions:** 10
- **Dates:** Thursdays: 10/1, 10/8, 10/15, 10/22, 10/29, 11/5, 11/12, 11/19, 12/3, 12/10/15.
- **Times:** 6:00pm-9:00pm
- **Location:** Foster House

No class on 11/26/15.

Examine the history of childbirth education and preconceptions about birth, while building tools for providing education and informed choice in a variety of settings, from prenatal appointments to group classes. This course uses a wide variety of activities including storytelling, art, dance, music and videos. Taught by Laurie Perron Mednick, BA, CPM, LPM. **Maximum class size: 18**

### Communications II (COM112q)
- **Credits:** 1 Cr
- **Sessions:** 4
- **Dates:** Mondays: 9/21, 10/12, 11/2, 11/9/15
- **Times:** 9:00am-12:00pm
- **Location:** Carlton House

**Prerequisite:** Communications I (COM121q).

The second course in the Communication series continues with skill-building from Communications I using aspects of the clinical experience as a resource for examples. The students will have opportunities to deepen understanding of their own brains and how their attachment histories and relationships impact communication with clients and preceptors while also beginning to identify the impact of the client’s attachment history and ways to help them feel safe in potentially intense experiences of birth, breastfeeding, and parenting. Taught by Sarah Peyton, BA.

### Critical Care Skills II (CCS412q)
- **Credits:** 1 Cr
- **Sessions:** 12
- **Dates:** Wednesdays: 9/23, 9/30, 10/7, 10/14, 10/21, 10/28, 11/4, 11/11, 11/18, 11/25, 12/2, 12/9/15
- **Times:** 3:00pm-5:00pm
- **Location:** Foster Skills

**Prerequisite:** Critical Care Skills I (CCS421q).

Skills covered in this course include maternal resuscitation and continued practice of I.V. Skills. This course meets Legend Drugs and Devices initial education requirements for treatment of shock and for adult CPR for Oregon midwifery licensing. Taught by Denise O'Halloran, BS, EMT-P.

### Critical Care Skills II (CCS421q)

**Co-requisite:** Intrapartum (INT251q), Prenatal Skills (PRE211q). This course covers methods for evaluating fetal well-being, including monitoring and analyzing fetal heart tones using a doppler or fetoscope, fetal movement counts, sonogram, Auscultated Acceleration Test (AAT), the Non-Stress Test (NST), the Biophysical Profile (BPP), Amniotic Fluid Index (AFI), and other methods. Taught by Jacqueline Zapp-Albin, BS, CPM. **Maximum class size: 18**

Registrations are accepted by mail or fax; walk-in's are accepted in the front office during office hours only (please see www.birthingway.edu for listed hours). Registrations will be date/time stamped in order of receipt. Registrations received BEFORE registration begins will be processed after 4:30pm on registration day, in order of receipt. Registrations received AFTER 3:00pm on the registration deadline will incur a $75 late registration fee. If you fax your registration (503-760-3332) it is your responsibility to call and confirm that we have actually received your fax. If your fax doesn't go through, your registration will not be complete and could also result in late fees or not getting a course you need. Several courses have readings due the first day of class. Please check with the front office for the availability of the syllabus and/or course-pack ten days before the start of each course.

CANCELLATION CLAUSE:

Should you decide to cancel this agreement you must do so in writing within three business days to receive a full refund of all fees and tuition. After the three-day cancellation period, should you decide to cancel your registration and not attend, refunds will be made per the refund policy below.

REFUND POLICY - You are expected to attend all classes for which you register. If you do not attend or stop attending and fail to drop within the refund period, you remain responsible for all tuition and fees. If you wish to drop a course, please fill out a Withdrawal/Drop Form (available on our website or in the front office) and either mail, fax, or hand it in to the front office. You will receive a refund of tuition per the refund schedule below.

Registration Fee, Late Registration Fee, and Technology Fee are non-refundable. Equipment Kit Fees, Course-pack Fees, and Lab Fees are non-refundable after the Registration Deadline. Please allow four to six weeks for receipt of refund. The dates below are based on calendar days.

Payment of tuition and fees is due at the time of registration for each term unless you are eligible for a financial aid disbursement in the term (have a complete FAFSA on file and a signed award letter with an anticipated disbursement in this term). Financial aid is only available for eligible Midwifery Program students. Equipment kit charges are due when ordered, unless you are on financial aid AND you have authorized payment from your financial aid disbursement. All overdue amounts are subject to finance charges of 15% APR with a $5 minimum per month. A student must be in good financial standing to register for a new term. Any costs incurred to collect these amounts are the responsibility of the student.

Credit card payments are accepted through PayPal by visiting http://www.birthingway.edu/payment.htm. By paying through PayPal, you agree to PayPal and Birthingway’s terms and conditions. You must include a copy of your PayPal payment confirmation if paying by PayPal, or your registration will be incomplete and delayed until confirmation is received.

By signing below, I agree that I have read and understand all policies stated above.

Please Sign and Date below. An unsigned or incomplete registration form will delay your registration.

Textbook cancellations or additions will not be accepted after August 21\textsuperscript{st}, 2014 at 3pm. After this date you are responsible to pay for and pick up your books, even if you drop the course. There will be no refund.

The cost for the textbooks below will not necessarily reflect the lowest price. Online prices change often. You are not required to order textbooks through Birthingway, but the books listed below are required. You may choose to order texts on your own. Textbooks should be available the week of September 14\textsuperscript{th}, 2015, but times may vary. Please contact the Learning Resources Coordinator with any questions, concerns, or to check on the status of your order. You can contact her via phone or at lauren@birthingway.edu

You must provide payment with this form unless you are eligible for a financial aid disbursement in the term AND have signed at the bottom of this form.
