Midwifery Program students working with a preceptor must complete this form each term.

How to Register for Clinical Training Credit (CTC):

• Your preceptor(s) must be approved by Birthingway before you register for Clinical Training Credit.
• To register for Clinical Training Credit, you must complete registration for this term and turn in this completed form with full payment (unless you are receiving a financial aid disbursement this term). If you fax this form, please call to confirm that we have received it.
• To indicate that you are working with a preceptor but will not be taking credits this term, register for zero credits.
• If you’ve already registered for Clinical Training Credit for this term and wish to add more credits, please fill out an additional Clinical Training Credit Registration form and only write in the number of credits you wish to add (not your total number of credits).

Dates and Deadlines:

• Deadline to count CTC toward enrollment status for Financial Aid: Monday, September 26, 2016 at 5:30 pm
  ◦ Credits added after that date and time will not be counted toward financial aid and this could affect your financial aid award. Please ask the Financial Aid Officer if you have questions.
• Deadline to add CTC: Friday, November 25, 2016 at 3:00 pm
  ◦ If you wish to register for clinical training credits after that point, your Program Coordinator must give you a Clinical Training Credit Registration Deadline Waiver, which must be attached to your registration form.
• You can count hours toward CTC until Saturday, December 10, 2016 at 11:59 pm
  ◦ After that date and time, any work you do cannot count towards CTC in Fall Term. Additional experiences and births may still count toward your requirements for licensure or certification, but may not be used for college credit.
• Clinical Training documentation is due: Monday, December 12, 2016 at 5:30 pm
  ◦ Your completed clinical training documentation must be turned in to your Program Coordinator by this deadline in order to receive a grade of Complete. This includes your: Time Sheet, Evaluation of Preceptor by Student, Evaluation of Student by Preceptor, and Skills Assessment Checklist
    ▪ After this deadline you will receive an Incomplete. See the Student Handbook and Catalog for more information.

Clinical Training Credit Registration FAQ:

• When can I start counting hours toward credit?
  ➢ You can only count hours towards this CTC registration from the time your completed Fall Term Registration and CTC Registration form are received AND after term begins (September 15, 2016) until 11:59 pm on Saturday, December 10, 2016. Any work you complete before submitting this form and payment will not count toward your total hours.
• What happens if I don’t complete enough hours?
  ➢ If you are not able to complete the hours required to receive credit, credit will not be awarded. Refunds for incomplete credits will not be considered. Refunds for dropped credits follow the term refund schedule.
• I am working with a preceptor but I don’t need/want credit, or I won’t get enough hours to get credit. Do I still need to register for CTC?
  ➢ Yes, you need to register for zero credits. Registering for zero credits will allow you to count hours and experience toward your NARM requirements, but not toward Birthingway Clinical Training Credits.
  ➢ This form helps to document the Preceptor-Student relationship and outline expectations for work, learning, and appropriate tasks and duties.

### PRECEPTOR(S)

When estimating how many hours of work to agree to, consider the approximate number of clients the student will be attending during the term (or other methods you feel are appropriate).
