# Financial Aid Consortium Agreement Form

## Information

Students can generally only receive financial aid from one school at a time. Under the terms of a consortium agreement, you may receive financial aid from Birthingway for work completed at Birthingway (the home school where you plan to graduate from) and another school (the host school where you will be taking credits to transfer). **Without a completed consortium agreement, only credits taken at Birthingway will be considered when calculating your financial aid award for each term.**

**You must be registered at Birthingway and submit this form to Birthingway at least one week before the Enrollment Confirmation date of the term covered by this consortium agreement.** Please contact the Financial Aid Officer for this date or see the *Student Handbook and Catalog*. Forms received by the Financial Aid Officer after this date cannot be processed. If you will be attending multiple schools or terms, a separate form must be completed for each school and term.

### I understand the following (please read and initial next to each statement):

\_\_\_\_ The coursework I take at my host school must be transferable to my program at Birthingway. I give permission for my host school to share enrollment information with Birthingway College of Midwifery.

\_\_\_\_ My cost of attendance for the term will be determined based on actual costs at both Birthingway and my host school.

\_\_\_\_ I will send my grades from the host school to Birthingway no later than one week past the end of the term at the host school. If unavailable at this time, I will notify Birthingway of when to expect the grades. I understand that future financial aid and consortium agreements may be delayed if grades are turned in late.

\_\_\_\_ To receive financial aid, I must continue to make Satisfactory Academic Progress. I understand that courses included on this agreement will be included in my Satisfactory Academic Progress calculations at Birthingway. I understand that any grades not submitted by official transcript by the end of Winter term will be considered Incomplete for Satisfactory Academic Progress purposes.

\_\_\_\_ **I am responsible for making payments to my host school in compliance with their financial policies.** I understand that I may have to pay my host school before I receive my financial aid disbursement from Birthingway, **and** whether or not I receive a balance refund check from Birthingway.

\_\_\_\_ I will inform Birthingway of any changes to my enrollment at the host school. I understand that changes to my academic schedule or failure to begin attendance in classes may negate this agreement.

\_\_\_\_ I acknowledge that I have read and understand the refund policies at both Birthingway and at my host school. I am willingly entering into this agreement and understand the consequences of canceling it.
