

Winter 2019 Term Lactation Consultation Program Clinical Training Credit Registration Form

Lactation Consultation Program students working with a preceptor must complete this form each term.

How to Register for Clinical Training Credit (CTC):

- Your supervising preceptor and all co-preceptors must be approved by Birthingway before you register for Clinical Training Credit.
- To register for CTC, you must complete registration for this term **and** turn in this completed form with full payment (unless you are receiving a financial aid disbursement this term). **If you fax this form, please call to confirm that we have received it.** If e-mailing, submit form as PDF from your Birthingway student e-mail to info@birthingway.edu.
- To indicate that you are working with a preceptor but will not be taking credits this term, register for zero credits.
- **If you've already registered for Clinical Training Credit for this term and wish to add more credits, please fill out an additional Clinical Training Credit Registration form and only write in the number of credits you wish to add (not the total number of credits you intend to complete this term).**

Dates and Deadlines:

- **Deadline to count CTC toward enrollment status: Monday, January 7, 2019 at 4:30 PM**
 - Credits added after that date and time will not be counted toward enrollment status.
 - Lactation clinical training credits do not count toward student enrollment status in the Midwifery program.
- **Deadline to add CTC: Thursday, March 7, 2019 at 5:30 PM**
 - If you wish to register for clinical training credits after that point, your Program Coordinator must give you a **Clinical Training Credit Registration Deadline Waiver**, which must be attached to your registration form.
- **You can count hours toward CTC until Sunday, March 24, 2019 at 11:59pm**
 - After that date and time, any work you do cannot count toward CTC this term. Additional experiences may still count toward your IBLCE requirements for certification, but may not be used for college credit.
- **Clinical Training documentation is due: Monday, March 25, 2019 at 5:30 PM**
 - Your completed clinical training documentation must be turned in to the Lactation Program Coordinator by this deadline in order to receive a grade of Complete. This includes your: Time Sheet, Evaluation of Preceptor by Student, Evaluation of Student by Preceptor, and Clinical Competencies Checklist.
 - After this deadline you will receive an Incomplete. See the Student Handbook and Catalog for more information.

Clinical Training Credit Registration FAQ:

- **When can I start counting hours toward credit?**
 - You can only count hours toward this CTC registration from the time your completed Winter Term Registration and CTC Registration form are received AND after term begins (January 1, 2019) until 11:59 pm on Sunday, March 24, 2019. **Any work you complete before submitting this form and payment will not count toward this credit.**
- **What happens if I don't complete enough hours?**
 - If you are not able to complete the hours required to receive credit, credit will not be awarded. Refunds for incomplete credits will not be considered. Refunds for dropped credits follow the term refund schedule.
- **I am working with a preceptor but I don't need/want credit, or I won't get enough hours to get credit. Do I still need to register for CTC?**
 - Yes, you need to register for zero credits. Registering for zero credits will allow you to count hours and experience toward your IBLCE requirements, but not toward **any** Birthingway Clinical Training Credits.
 - This form helps to document the Preceptor-Student relationship and outline expectations for work, learning, and appropriate tasks and duties.
